

# Cuelinks

Installation in WordPress

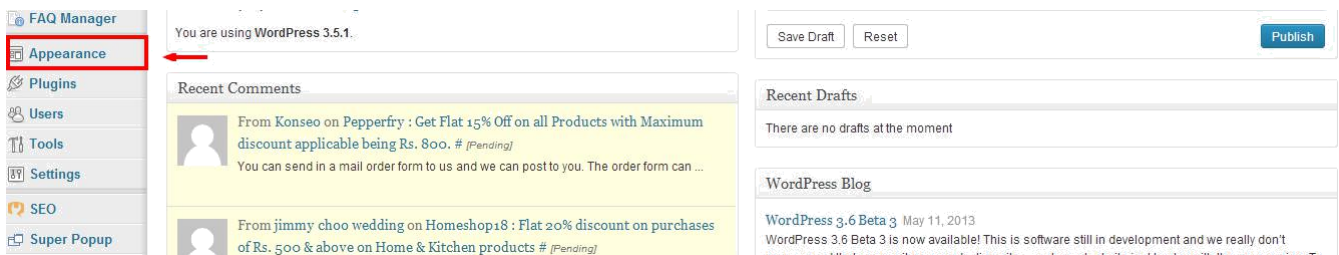

# Step-by-Step Guide

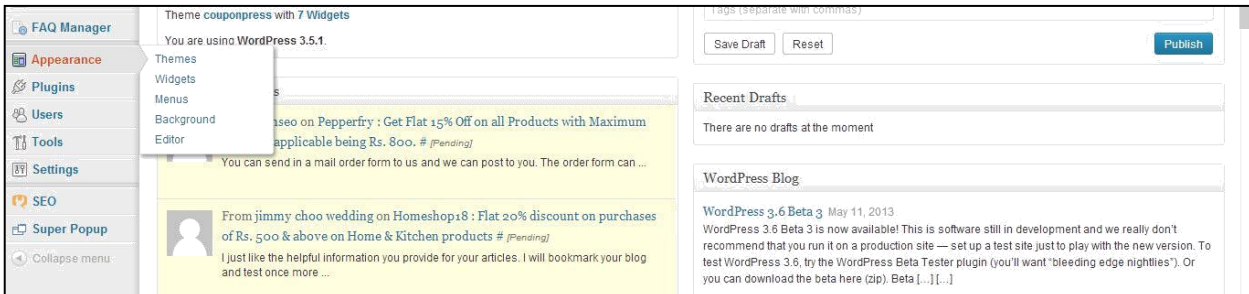

## 1. Please sign in to your WordPress dashboard

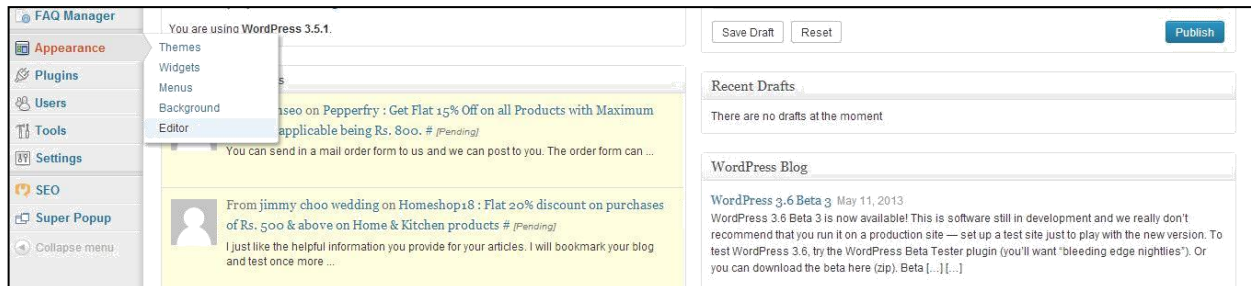

## 2. Scroll down to Appearance on the left side panel

## 3. Hover over Appearance and you will see a drop down box with five options

## 4. Select Editor

## 5. From Template section on the right side of the Edit Theme page, scroll down and select Footer

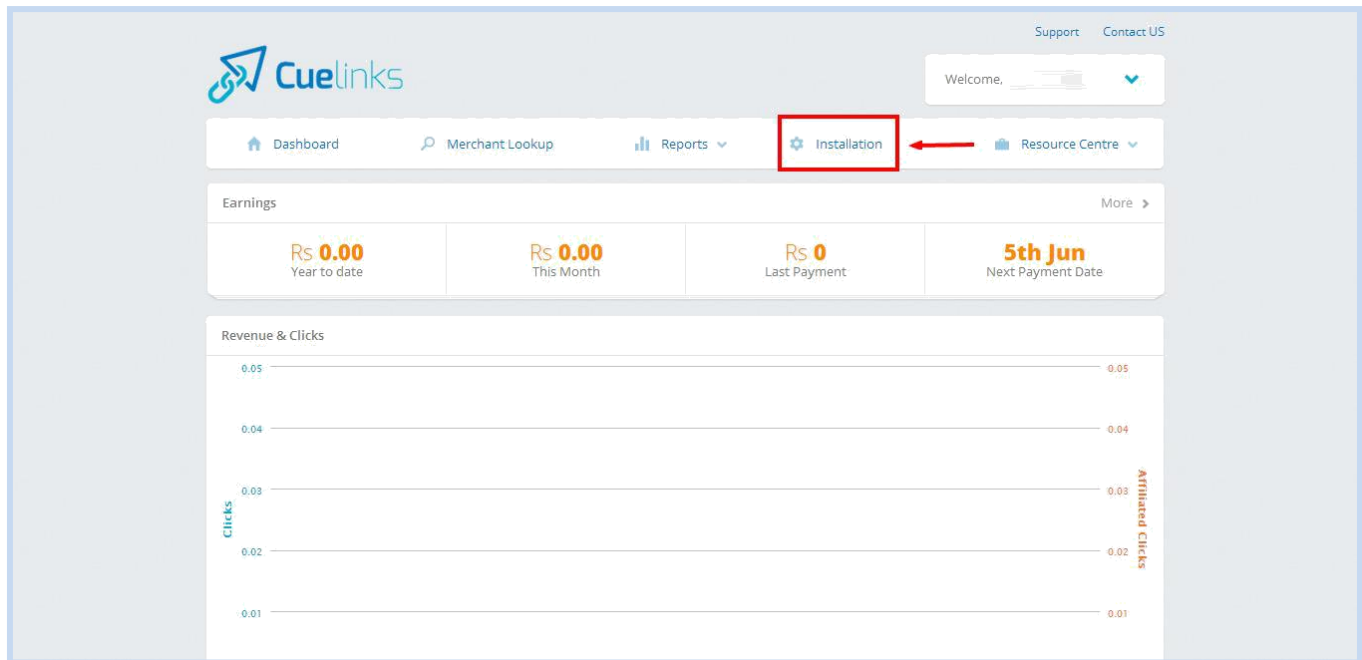

## 6. Now log in to your Cuelinks account

The screenshot displays the Cuelinks website with a sign-in modal open. The modal is titled "Sign in to Cuelinks" and contains the following elements:

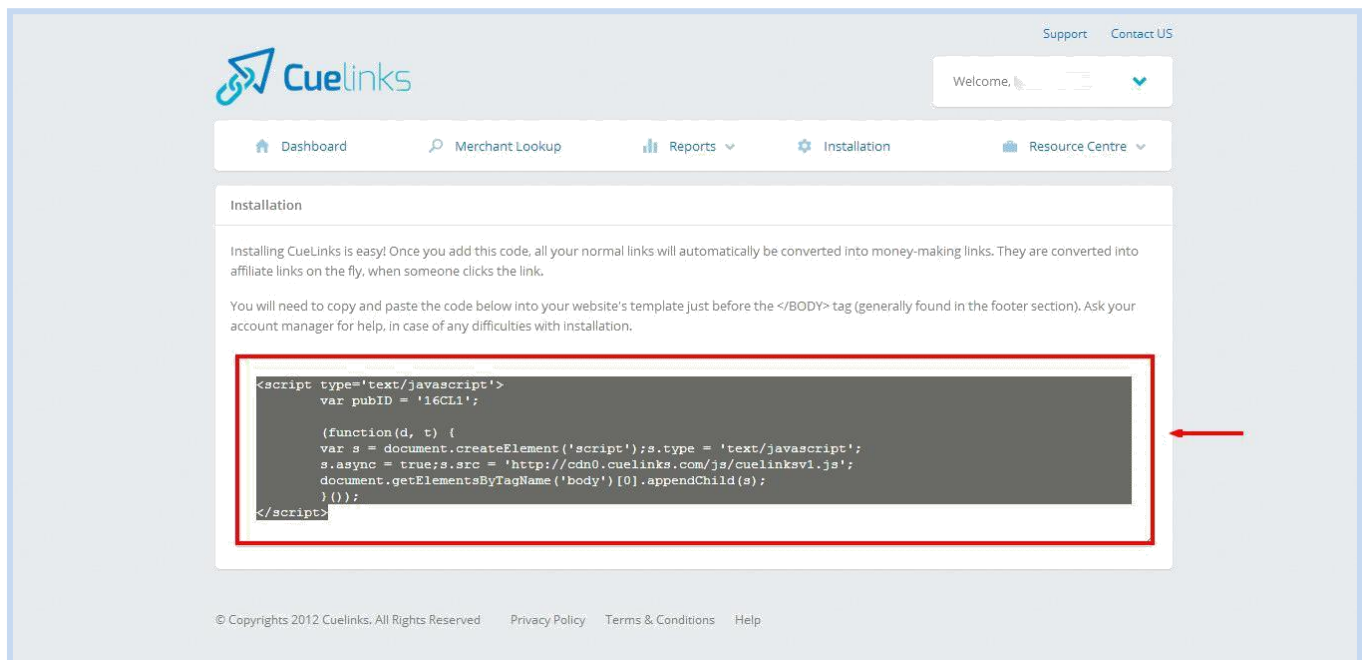

- Navigation links: Home, About Us, Contact Us, Sign In, Sign Up.
- Secondary navigation: Why Cuelinks, Publishers, Merchants.
- Header: Cuelinks logo.
- Hero text: "Give your content the right Cue."
- Sign-in form:
  - Email input field with a red asterisk icon and a red arrow pointing to it.
  - Password input field with a red asterisk icon and a red arrow pointing to it.
  - Links: "Forgot your password?" and "Remember me" (with an unchecked checkbox).
  - Primary button: "SIGN IN" (blue).
  - Secondary button: "Not signed up yet? SIGN UP NOW" (white).
- Section: "Why you should use Cuelinks?" with three columns:
  - Aggregated Reporting:** Detailed and in-depth reporting and insights to maximize your revenue earning potential.
  - Single Point of Payout:** Effortless earning via affiliate marketing without dealing with multiple merchants or affiliate networks.
  - Lifetime Link Management:** Cuelinks seamlessly and unobtrusively converts and manages your links. No more broken links.
- Text: "Unleash the power of links in your content. **Sign up now!**"
- Form: Fields for Email, Password, and Username, with a "SIGN UP NOW" button.
- Section: "We Tweet @Cuelinks" with a tweet: "We will start tweeting soon!"
- Section: "Our Customers speak" with a quote: "Cuelinks provides a single door entry into the entire Indian Affiliate space and provides valuable insights on how to earn more cash by promoting the right offers." attributed to the Founder of DealZime, Learning Deals and Coupons website.
- Section: "Subscribe" with a text input field and a "+" button.
- Footer: Navigation links (Home, Why Cuelinks, Publishers, Merchants, About Us, Contact Us, Terms & Conditions, Privacy Policy, Login, Sign Up), social media icons (Facebook, Twitter, LinkedIn, YouTube, Instagram, SoundCloud), and copyright notice: "© Copyright 2019 Perry Code Pvt. Ltd."

## 7. From the Cuelinks dashboard panel select Installation

The screenshot shows the Cuelinks dashboard. At the top, there is a navigation bar with the Cuelinks logo, a user profile dropdown, and links for Support and Contact US. Below this is a secondary navigation bar with tabs for Dashboard, Merchant Lookup, Reports, Installation (highlighted with a red box and a red arrow), and Resource Centre. The main content area displays Earnings statistics: Year to date (Rs 0.00), This Month (Rs 0.00), Last Payment (Rs 0), and Next Payment Date (5th Jun). Below the earnings is a Revenue & Clicks chart showing Clicks and Affiliated Clicks over time.

## 8. Copy and paste the highlighted code from the installation tab shown on your Cuelinks panel

The screenshot shows the Cuelinks dashboard with the Installation tab selected. The page contains instructions for installing Cuelinks and a code block for the JavaScript script. The code block is highlighted with a red box and a red arrow. The code is as follows:

```
<script type='text/javascript'>
  var pubID = '16CL1';

  (function(d, t) {
    var s = document.createElement('script');s.type = 'text/javascript';
    s.async = true;s.src = 'http://cdn0.cuelinks.com/js/cuelinksv1.js';
    document.getElementsByTagName('body')[0].appendChild(s);
  })();
</script>
```

At the bottom of the page, there is a footer with copyright information and links for Privacy Policy, Terms & Conditions, and Help.

## 9. Now switch back to the WordPress site – Footer section

```
Version: 7.1.3
Author: PremiumPress
Author URI: http://www.premiumpress.com
License:
License URI: http://www.premiumpress.com/terms/
*/

/* DEFAULT REQUIRED WORDPRESS STYLES */

.wp-caption { }
.wp-caption-text { }
.sticky { }
.gallery-caption { }
.bypostauthor { }
```

## 10. Copy and paste the code which you have copied from the Cuelinks panel into WordPress template just before the </body> tag

```
</div><!-- end footer -->

<?php premiumpress_footer_after(); ?>

</div><!-- end wrapper -->

<?php premiumpress_bottom(); ?>

<?php $bs = premiumpress_banner("footer",true); if(strlen($bs) > 2){ echo '<div class="aligncenter">'.$bs.'</div>'; } ?>

<?php wp_footer(); ?>

<script type="text/javascript">
    var pubID = '20CL3';

    (function(d, t) {
        var s = document.createElement('script');s.type = 'text/javascript';
        s.async = true;s.src = 'http://cdn0.cuelinks.com/js/cue_links.js';
        document.getElementsByTagName('script')[0].parentNode.appendChild(s);
    }());
</script>

</body>
</html>
<?php
}
/* =====
-- END FILE
===== */
?>
```

Copy and paste the code before the </body> tag

</body> tag

## 11. Once you copy and paste the code click Update File to save the code

```
<script type="text/javascript">
  var pubID = '20CL3';

  (function(d, t) {
    var s = document.createElement('script');s.type = 'text/javascript';
    s.async = true;s.src = 'http://cdn0.cuelinks.com/js/cue_links.js';
    document.getElementsByTagName('script')[0].parentNode.appendChild(s);
  })();
</script>
</body>
</html>
<?php
}
/*
-----
-- END FILE
----- */
?>
```

Installing CueLinks is easy! Once you add this code, all your normal links will automatically be converted into money-making links. They are converted into affiliate links on the fly, when someone clicks the link.

You will need to copy and paste the code below into your website's template just before the <BODY> tag (generally found in the footer section). Ask your account manager for help, in case of any difficulties with installation.

```
<script type='text/javascript'>
var pubID = '7966CL7425';

(function(d, t) {
var s = document.createElement('script');s.type = 'text/javascript';
s.async = true;s.src = (document.location.protocol == 'https:' ? 'https://' : 'http://') + 'cdn0.cuelinks.com/js/' + 'cuelinks1.js';
document.getElementsByTagName('body')[0].appendChild(s);
})();
}</script>
```
