TRAVEL WISELY

U.S. Citizens

A valid U.S. passport is required for all U.S. citizens regardless of age when traveling between the United States and the Caribbean with the exception of Puerto Rico and the U.S. Virgin Islands.

Any person under 18 years of age is considered a minor for travel purposes. Minors traveling with only one parent must have a notarized written permission statement from the other parent. In the case of deceased or divorced parents, legal proof of custody must be carried to accept just one signature on the letter. Minors traveling unaccompanied or with anyone other than their legal parents or guardians must obtain an original notarized letter of permission signed by both parents. Airlines will also require the name, address and phone number of the person meeting the unaccompanied minor upon arrival in the Caribbean.

Non-U.S. Citizens

A valid passport is required. Green cards are not acceptable as a sole means of identification. Citizens of some countries may require a tourist visa. Check with your local consulate or go online to www.travel.state.gov for more details.

Airport Check-In

Arrive at the airport at least three hours prior to departure to ensure a smooth check-in process.

Traveler Support Portal

Visit our [Traveler Support](#) portal for access to the latest information on destination travel guidelines, supplier health and safety protocols, traveler resources and more.

UPON YOUR ARRIVAL

Immigration Processing

You will be given a tourist card and customs declaration form during your flight to complete before you exit the airplane.

When you arrive at your destination you will first process through Immigration Control where your paperwork will be inspected and stamped. The immigration officer will return the tourist card to you as you will need to submit it to Immigration when you depart the Caribbean. Keep your tourist card with your passport in a safe place throughout your stay. Next, continue to baggage claim to get your luggage, then proceed through customs where your luggage will be scanned and a customs officer will obtain your customs declaration form. Once you have cleared customs, proceed to the exit.

Your Pleasant Holidays Representative

If your vacation package includes transfers, look for your representative, who will be holding a "Pleasant Holidays" sign. Your representative will assist you with your luggage, ground transportation and any other needs you may have, as well as confirm the pick-up time for your return transfer to the airport.

Checking Into Your Hotel

Your accommodations are pre-paid. Please show your itinerary to the front desk. No hotel voucher is required. You will be asked to provide a credit card or cash deposit to cover any personal charges.

RETURNING HOME

Each U.S. citizen returning from the Caribbean is required to go through U.S. Customs when re-entering the country. Visit the U.S. Customs and Border Protection Web site at help.cbp.gov for details regarding items that may be brought into the United States from the Caribbean.

For U.S. citizens returning to the United States from Aruba, the Bahamas and Bermuda, the United States Customs and Border Protection (USCBP) facilities in Aruba, Freeport, Nassau and Bermuda Airports are purpose-built facilities that allow U.S.-bound passengers to undertake all immigration, customs and agriculture inspections prior to departure. Having cleared USCBP, passengers arriving in the United States are treated as domestic arrivals, which allows for a faster processing through their arrival airport in the United States, including checking through of any baggage to the traveler's final destination. These are some of only a handful of airports outside North America that offer the USCBP facility.

VISITOR INFORMATION

Currency

U.S. dollars are accepted virtually everywhere, especially in the resort areas. Major credit cards and travelers checks are widely accepted throughout the Caribbean.

Water

All major hotels and restaurants use purified water throughout. Most hotels provide bottled water in all rooms, and many hotels now have potable water delivered through their taps using an on-site purification system; there will be a note in your room if this is the case.

Electricity

The standard electrical service in the Caribbean is 110 volts (same as United States and Canada). Some electrical sockets do not accept three-prong or polarized plugs so it is recommended that you bring your own adapter.

THANK YOU FOR TRAVELING WITH PLEASANT HOLIDAYS

We look forward to serving you again during your next vacation to the Caribbean, Central & South America, Europe, Hawaii, Japan & Asia, Mexico, the South Pacific, the United States & Canada and Cruise vacation packages.
