TRAVEL WISELY

Entry, Exit and Visa Requirements

U.S. Citizens

A valid U.S. passport is required for people of all ages who travel to Cambodia, Hong Kong, Japan, Singapore, Thailand and Vietnam. Please visit www.tsa.gov for more details.

Any person younger than 18 is considered a minor for travel purposes. Minors traveling with only one parent must have a notarized written permission statement from the other parent. In the case of deceased or divorced parents, legal proof of custody must be carried to accept just one signature on the letter. Minors traveling unaccompanied or with anyone other than their legal parents or guardians must obtain an original notarized letter of permission signed by both parents. Airlines will also require the name, address and phone number of the person meeting the unaccompanied minor upon arrival.

For travel to Japan, Hong Kong, Singapore, or Thailand a valid U.S. passport and an onward/return ticket for tourist/business “visa free” stays of up to 90 days are required for all U.S. citizens regardless of age. Note that U.S. tourists may stay in Thailand only up to 30 days without a visa.

For travel to Vietnam and Cambodia, a tourist visa is required for all visitors and it is recommended that travelers obtain a visa directly from an embassy or consulate prior to arrival rather than try to obtain a “visa upon arrival” at the airport. U.S. Citizens can apply online for a single-entry E-visa on the immigration websites. Tourist visas are valid for one month from the date of entry.

For all countries, passports must be valid at least six months beyond intended stay. You must have at least one blank visa page in your passport when entering Thailand.

All foreign nationals entering Japan and Cambodia are required to provide fingerprint scans and to be photographed at the port of entry. Those entering Hong Kong are only required to complete a landing document.

A Green Card is not acceptable as the sole means of identification for U.S. residents.

Non-U.S. Citizens

When visiting Japan, Hong Kong, Singapore or Thailand, citizens of other countries may need a visa in addition to a valid passport and should consult the nearest

consulate or visit www.travel.state.gov to confirm entry requirements. Visas are required for all visitors to Cambodia and Vietnam.

It is each customer’s sole responsibility to provide all appropriate documents in accordance with his or her country of origin, destination and any countries in which a stop is scheduled. No refunds will be made in cases where travelers did not provide appropriate documents.

Before you leave on your trip, please take the time to visit the U.S. Customs and Border Protection website at: <https://www.cbp.gov/travel>

Customs and Import Restrictions

Many countries have restrictions and prohibitions on what you can bring into a country including produce, chewing gum, tobacco and religious literature. Be sure to check with the foreign embassies and consulates in the U.S. for your destination country before your departure.

Flight Times – Day of Departure

Please reconfirm your flights at least 24 hours prior to departure by contacting your airline directly.

Seat Assignments

Whenever possible, our system will assign your airline seats in advance. Please contact the air carrier directly if you wish to change your seat assignments. Airline seats are subject to change and may not be available for assignment in advance.

Airport Check-in

Arrive at the airport at least three hours prior to departure to ensure a smooth check-in process. You will need this time for documentation, luggage and security screening. Place all valuables or personal necessities in your carry-on luggage.

Traveler Support Portal

Visit our [Traveler Support](#) portal for access to the latest information on destination travel guidelines, supplier health and safety protocols, traveler resources and more.

DURING YOUR STAY

Your Pleasant Holidays Representative

If you have pre-purchased transfers through Pleasant Holidays, your transportation will be located outside the customs and baggage claim areas. Look for an escort holding a Pleasant Holidays sign or a sign with your name. He/she will escort you to your prearranged transportation. If transportation is provided by your hotel, please look for your hotel’s representative.

Checking into your Hotel

Your accommodations are pre-paid. Please show your itinerary to the front desk representative upon check-in. You will be asked to provide a credit card or cash deposit to cover any incidental charges.

Optional Tours and Activities

If you purchased optional tours and activities as part of your Pleasant Holidays vacation package, please note that pick-up stations for these excursions are located throughout the city, based on the location of your hotel; pick-up for optional activities may not be at your hotel. Some pick-up stations may be within a short walk of your hotel while others will require that you arrange for a taxi transfer with the hotel’s concierge. Transfers are not included in the tour and activity rates unless specified and are additional, at your own expense. Your travel documents include an activity voucher that identifies the excursion(s) you purchased as well as pick-up information, including location(s).

Returning Home

Please be certain to check out of your room and be in the hotel lobby at the designated time if you have pre-purchased transfers through Pleasant Holidays.

Each United States citizen returning from foreign countries is required to go through U.S. Customs when re-entering the country. Your travel professional will be happy to provide you with the latest information concerning U.S. Customs policies and procedures.

CURRENCY

The currency in Cambodia is the Riel; in Hong Kong, the HK dollar; in Japan, the Yen; in Singapore, the SGD dollar; in Thailand the Baht; and in Vietnam, the Dong. It is recommended to exchange some currency prior to exiting the airport where there are exchange windows. Major credit cards and traveler’s checks

are accepted; however, some smaller stores and remote areas may not accept either one.

Most bank ATMs in Japan accept only cards issued by Japanese banks. The easiest way to obtain cash is at 7-Eleven convenience store’s ATMs or the chain’s ATM machines (called 7-Bank), which are found throughout Japan and often available 24 hours. Local post offices also have ATMs that accept foreign bank cards operating on the Cirrus and PLUS systems. Many post offices are located near main train stations and are generally open 7:00 A.M. – 11:00 P.M. weekdays and 9:00 A.M. – 7:00 P.M. on weekends; small post offices may have only limited hours.

In Hong Kong and Singapore, ATMs are conveniently located everywhere and operate on the Cirrus or PLUS systems.

Vietnam, Thailand and Cambodia are cash heavy societies and major cities will have ATMs widely available that operate on the Cirrus and PLUS networks. Credit cards will be accepted primarily at hotels and restaurants.

TIPPING

Japan

In general, tipping is not customary in Japan – in fact, it could be construed as mildly rude. However, there are exceptions, particularly regarding tour guides. It is recommended to prepare ahead of time and present a tip in the form of a gift by placing it in an envelope and offering it with a respectful, slight bow rather than pulling money from your wallet or pocket and handing it directly to the recipient.

Hong Kong

In restaurants, the customary practice is to add a 10 percent service charge to your bill, and no other gratuity is expected. However, some restaurants, especially Western brands, do not follow this practice, so you should check your bill and leave an appropriate tip if no charge appears. At the hotel, a small tip of up to HK\$20 (US\$2.50) is the standard for bellhops, valets and room service. Spa treatments may be accompanied by a tip up to HK\$50 (US\$6.50). It is not necessary to tip taxi drivers, but rounding your cash payment up to the nearest dollar is appreciated.

Cambodia, Singapore, Thailand & Vietnam

These are generally not tipping cultures. In restaurants and hotels, a 5 – 10 percent service charge is often automatically added to your bill. If a bill in a hotel or restaurant catering to tourists does not include a service charge, a 10 percent tip is appreciated. It is not necessary to tip taxi drivers, but rounding your cash payment up is appreciated.

WATER

All major hotels and restaurants use purified water throughout. Most hotels provide bottled water in all rooms, and many hotels now have potable water delivered through their taps using an on-site purification system; there will be a note in your room if this is the case.

ELECTRICITY

The standard electrical service in Japan is 100 volt, while the USA is 120 volt. Japan’s outlets are identical to USA, but some of them are not polarized (a polarized outlet has one slot slightly wider than the other). Converters are not required and some equipment will work fine without an adapter however, certain equipment, especially heating tools such as curling irons, may not work appropriately or may become damaged.

Electrical service in Hong Kong is 220 volt; in Singapore it is 220-240 volt and uses a 3-pronged plug similar to the UK. Most hotels also have 100-volt outlets and will not require you to have a converter; however, an adapter is recommended.

Electrical service in Thailand and Vietnam is 220 volt and 2-pronged flat vertical plugs will fit the outlet. An adapter is needed for a 3-pronged plug. A converter may be necessary for voltage compatibility. In Cambodia, the standard voltage is 230 volt so a converter may be necessary. Similar to Vietnam, a 2-pronged flat vertical plug will fit the outlet. An adapter is needed for a 3-pronged plug.
