

Background Check Services

Instant, affordable background search service designed for small businesses

What We Offer

You need to know who you are hiring. For many businesses that means conducting background checks. However, this can be costly and time-consuming, which is why we offer an affordable, efficient alternative.

Through our partnership with National Crime Search (NCS), we provide you with cost-effective Background Check services. Via our website, you have access to intuitive employment screening solutions that provide instant results. No more waiting for weeks for searches to come through on potential employees. Our service helps you hire the right people and accelerate the hiring process.

The Value

Saving all the information on applicants before you hire helps you make the right recruiting choices. And with a speedier turnaround time on results, you don't have to risk losing good applicants due to a lengthy hiring process.

Did you know that...

- 50% of all resumes and applications contain false information?
- 33% of all business failures are due to employee theft?
- 18% of all violent crimes occur in the workplace?

Using our firm's Background Check service, you can eliminate these issues and rest assured that you know exactly who you are hiring.

Offering a Complete List of Services

Working with NCS, we are proud to offer a comprehensive list of background search services, including:

- Instant national criminal background searches
- Social Security Number validation and address tracker
- Multi-state sex and violent offenders search
- Motor vehicle records
- Drug screening
- Employment credit reports
- Healthcare industry search services
- Tenant screening

We are committed to providing the highest quality and most affordable solution tailored to meet the needs of your small business. Working with NCS enables us to provide you with extensive Background Check services that are fast and easy and offer immediate results.

"Don't Guess...

who you are hiring. Ensure that your employees are the best of the best using our affordable and cost-effective Background Check services."
