

KEEP YOUR PRODUCTION MOVING & IMPROVING

FOR MECHANICAL MAINTENANCE AND UPGRADES, WE'RE BY YOUR SIDE

AC Motors & Geared Motors

Power to the process! Our industrial motor range keeps on growing with geared and ungeared options from 40W to 7.5kW - all with next day delivery.

Castors & Wheels

Roll with it! To ensure your production process keeps moving we have over 1,500 castors and wheels with braked & unbraked, high load and high temperature options.

Mechanical Power Transmission

Need to keep your machinery moving? We stock over 10,000 mechanical power transmission lines - including bearings, chain, belts, couplings and more from the recognised industry leaders.

Personal Protective Equipment

Keeping you safe from head to toe, our extensive range of PPE includes head, eye, ear, respiratory, hand and foot protection.

Industrial Fasteners

Over 8,000 stocked items including screws, bolts, clips, washers, rivets, plus magnets and channel support systems. And their related tools too.

Tools and Test & Measurement

All the mechanical hand and power tools you need to get the job done, plus essential devices for measuring torque, vibration, rotation, temperature, distance and more.

Pneumatics

Under Pressure? Our pneumatic offer has been boosted to over 22,000 lines, all orderable online, and includes 1,800 great value options from our RS PRO range.
