

WIPERS - vs - RAGS

Here's why WypAll™ wipers are a better cleaning alternative to most rags in your industrial facility.

Compare the lifecycle stages of WypAll™ wipers with most rags and you'll discover opportunities to **maximize your cleaning efficiency and increase productivity.**

Industrial Supplies Lifecycle

CHOOSE

WypAll™ wipers require **no pre-sorting** and come ready to use compared to most rags.

DISPENSE

WypAll™ wipers allow you to **dispense one clean and fresh sheet at a time** unlike most rags.

USE

WypAll™ wipers are designed to be **safe for your products, surfaces, workplaces and users** while delivering consistently high efficiency and effective wiping performance compared to most rags.

DISCARD

WypAll™ wipers **have lower wastage** when opening a new pack, compared to most rags*

*Many rags in a new pack may need to be discarded.

Are you looking to improve productivity and increase the overall efficiency of your operations? See for yourself, put WypAll™ wipers to work in your facility today.
