

PADUCAH CELL PHONE WALKING TOUR

A few simple instructions are all you need to start your audio tour. Audio stop numbers are displayed below and correspond to the map on the other side. When you arrive at a stop, use your cell phone to call the tour phone number. Simply enter the appropriate audio stop number on your keypad. Disconnect the call while walking between stops and you can rejoin as many times as you like by dialing the tour phone number.

(denotes current store or building name)
