Here are some of our top picks for a couple's getaway in Kelowna:

1. The Hopeless Romantic Bed & Breakfast

The name pretty much says it all. The Hopeless Romantic not only piles on the charm as a B&B, it really delivers in terms of service as the owner welcomes you as if your suite for the weekend is your very own home. With private patios (perfect for enjoying a fabulous breakfast) and a location outside of the city centre (perfect for leaving the urban grind behind), The Hopeless Romantic provides you with everything you need to escape.

Looking to kick the romance up a notch? Spring for one of their Romance Packages to treat your sweet to something extra special.

private deck, you can request a beachfront villa to get your own private Okanagan view.

5. Pleasant Pear Orchard Bed and Breakfast

With only four guest rooms, this adult-only facility delivers with a pool, hot tub, and more. The rustic décor adds to the ambiance and the rooms overlook mountain views—and pear orchards, of course.
