Open to artists who reside in Palm Beach County

Voted third best airport in the U.S. and sixth best in the world by Condé Nast,  
**Palm Beach International Airport has become a premiere venue to showcase quality, original artworks by Palm Beach County's finest emerging and professional artists.**

#### **ART AT THE AIRPORT SELLS!**

As a major gateway to South Florida, Palm Beach International Airport receives an average of 500,000 travelers per month. Of local, national and international origin, travelers view and frequently purchase works featured in "Art at the Airport" exhibitions. In fact, in all but two of the twenty-four shows hosted during the past eight years, artwork sales have occurred. Artists keep 100% of income from sales. Additionally, artists receive commissions for new works from travelers who've seen "Art at the Airport" shows.

#### **ARTWORK GUIDELINES**

Artists can enter one original, 2- dimensional piece of artwork. All media welcome. All art must be wired across the back. Artwork not properly wired will not be accepted. Art can be either framed or unframed. If unframed, work must be finished on all sides. All pieces must be a minimum size of 16" x 20". Giclée reproductions of paintings will not be accepted. Members of the County's Public Art Committee jury the show.
