Alexandria

Let's get together.

Looking for a relaxed home base for your DC family vacation? Think Old Town Alexandria. After all, we're just a quick ride to the National Mall, the monuments, and Mount Vernon. Yet we feel a world away with an authentic charm all our own. You can hop on and off a free trolley to yummy restaurants, eclectic shops, historic landmarks and a scenic waterfront. So after each day of getting your D.C. fill, you can come back here to chill.

Just minutes from D.C. |
