*Alexandria*

Let's get together.

Looking for a getaway that's the best of both worlds? Check out Alexandria. You'll find romantic restaurants and a lively bar scene. Hand-crafted cocktails and homemade gelato. Contemporary shopping and historic fun.

And a bustling waterfront that's just a short ride from D.C. So if you're up for a little bit of this and a little bit of that, visit the town where it all comes together.
