An Exciting New Way to Tour the Pocono Mountains

StockCar Racing Experience is taking exploring the Pocono Mountains to a new level, with Pocono Slingshot Rentals. You and a guest will be able to rent a Polaris Slingshot for a 1/2-day, full day or two-day rental. Suggested routes will be provided such as a Jim Thorpe Ride, Lake Wallenpaupack Ride and Hickory Run State Park ride or plan your own day with a Slingshot.

You may be wondering what a Polaris Slingshot is...well, it's not a motorcycle, it's not a car, it's just an amazing driving machine! Weighing in at only seventeen hundred pounds with a one hundred seventy horsepower engine you'll be the king of the Pocono Mountains!

With the Polaris Slingshots dual seats, it's the perfect getaway for couples wanting to tour the beautiful natural scenery, historic towns and over 100 lakes with a 360-degree view from an open-air cockpit! We hope you like attention because in a Polaris Slingshot you will be noticed. SRE will start taking reservations on August 23, 2016.
