## **Nickel Plate Arts Weekend Volunteers Needed**

Carmel, IN- The Nickel Plate Arts needs volunteers for the Nickel Plate Arts Weekend, June 1-3.

The Nickel Plate Arts Weekend is a multi-community art event that stretches from Fishers to Tipton. Volunteers will be stationed at one of 16 hand-painted artistic umbrellas placed along the trail at different arts venues. Volunteers may answer questions about the weekend; direct visitors to other destinations or those with art experience may be helping with an interactive art activity.

The art activities range from painting large canvases, to creating zip-tie sculptures and a yarn installation. General volunteers are also needed to help with set up and tear down of exhibits at various locations. Volunteer shifts are generally two to three hours long and all volunteers receive an event t-shirt. Volunteers are needed at various times beginning Friday, June 1 at 8:30 a.m. through Sunday June 3 at 4:30 p.m.

Those who are interested in volunteering for the Nickel Plate Arts Weekend, June 1-3, 2012, please email <mailto:info@nickelplatearts.org>

Nickel Plate Arts is an umbrella organization that creates and coordinates arts and cultural experiences across Hamilton County communities to improve the quality of life for residents, strengthen local economies and enrich experiences for visitors.
