

THE EXPERIENCE FOR A LIFETIME

October 11, 2012

Mr. Linc Darrow
Regional Sales & Project Manager
Southern Bleacher Company
P.O. Box One
801 Fifth Street
Graham, TX 76450

Dear Linc,

We recently completed improvements to our outdoor athletic fields. The project included resurfacing our stadium and field hockey fields with synthetic turf. We also upgraded our stadium with replacement bleachers and a new press box from Southern Bleacher Company. The Southern team was extremely informative and accommodating during the development and implementation phases of our project. They listened carefully, answered our questions, and attended to all our needs. Our new attractive 750-seat bleacher system, crowned with a customized press box, has received rave reviews from students, staff, and parents and helped us create a community feel at athletic events. For the first time we were able to host an all-school homecoming assembly on our fields. It was a heartening experience to see our students cheering and smiling in the new bleachers. We would work with Southern again, and we recommend them without reservation.

Cordially,

Gregg Bach
Assistant Head of School

Rick Johns
Athletic Director
