Expedia Lists Amarillo An “Under The Radar” City People Need To Visit

Giant travel web site and information source **Expedia** named Amarillo to its list of [15 Under The Radar Cities You Need To Visit](#).

Amarillo is the only Texas city on the list. In the feature, posted 9/19/17, the Expedia content team loved the idea of “Famarillo” because our city is ideal for families. Expedia mentioned the Don Harrington Discovery Center, Wonderland Amusement Park, Cadillac Ranch, Palo Duro Canyon State Park and the Golden Light Cafe.

"We love accolades like this because it isn't what we are saying about Amarillo, it's what others are saying about us," Dan Quandt, VP of the Amarillo Convention & Visitor Council, says.

Expedia outlined a great itinerary. Yet, from the Texas Air & Space Museum on the city's east side to the Wildcat Bluff Nature Center on the west, and many other attractions in between, there are lots of reasons to stop and enjoy Amarillo.
