CONSTRUCTION COMES TO A CLOSE AT THE SARATOGA SPRINGS CITY CENTER

Completion of the City Center; Ribbon Cutting Ceremony June 11

SARATOGA SPRINGS, N.Y. --- The Saratoga Springs City Center expansion construction is coming to a close. The official ribbon cutting ceremony is taking place prior to the start of Saratoga's Flag Day parade on June 11th at 11: 00 a.m.

The majority of work left to be done is on the exterior of the City Center building. Panels are going up to finish off each entry way, along with the glass for the lighted main entry and the new lettering on the canopy. As the interior construction comes to a close, other renovation projects will start. The Main Hall is expected to get an overhaul, with a new sound system in the works, as well as some acoustical upgrades.

On September 11th of this year, the City Center is unveiling a sculpture, made from the steel of the World Trade Center, named "Tempered by Memory" to commemorate the 10th anniversary of 9/11.
