More on the Way in 2018*

**ALBANY, NY - March 9, 2018**— This Summer, [110 Grill Restaurant Group](#) continues with their rapid and impressive expansion, this time out of the comforts of New England and into uncharted territory. **Debating at Crossgates Mall in Summer 2018, 110 Grill will open the doors to its 16<sup>th</sup> location of the fast-growing modern-American concept, confirming the team at 110 Grill sees no signs of stopping in the coming years.** 110 Grill sees the Albany community as the ideal location to lay down roots, offering warmth and comfort through their American cuisine with a trendy restaurant feel.

*“We’ve been growing at a record pace in New England and have been contemplating several locations beyond our regional borders for some time. When we decided to set our sights on the Mid-Atlantic region we researched which areas would be best serviced by the addition of one of our restaurants and we wanted to be certain we found strategic partners to grow in tandem with us. We found that with the [Pyramid Management Group](#) and Crossgates Mall. We couldn’t be more thrilled to have our first location outside of New England to be in the state of New York and with the great people of Albany,”* said Ryan Dion

In addition to Albany and the recent openings in Athol, MA, Stratham, NH and Fall River, MA, the 110 Grill team shows no sign of stopping, and is **projected to open multiple locations through 2018, including Massachusetts locations in Worcester, Holyoke, Woburn, Wrentham and Saugus, and New Hampshire locations in Manchester and West Lebanon.** The next location opening is expected to be Worcester in May with more New England locations opening in 2018/2019.
