Michigan State High School Clay Target League 2019 State Tournament in Mason this Saturday

LANSING, Mich.— The Greater Lansing Sports Authority is pleased to welcome the Michigan State High School Clay Target League’s 2019 State Tournament to the Michigan Trapshooting Association Grounds in Mason, Michigan on Saturday June 15, 2019.

More than 60 high school teams from across the state featuring over 900 student athletes, along with over two thousand spectators, are expected to attend the 2019 State Tournament event.

This tournament is the only event during the year that all League participants are invited to attend and compete at the same venue. Individuals will compete within their assigned shooting skill classification based on their year-end season average. Teams will use their top five members’ scores from any classification for their team score. Schedules for shooting times and field assignments are posted online at www.mi.traptournament.com.

“The most exciting part about this tournament is that individuals are competing to qualify for the 2019 USA High School Clay Target League National Championships which will also be held in the Greater Lansing area this July,” said Meghan Ziehmer, Associate Executive Director for the GLSA. “This up-and-coming sport has found a real home in this area and we’re pleased to welcome athletes and fans from all over for great competition and hopefully explore the surrounding community.”

For those that wish to attend the tournament competition begins at 9 a.m. on June 15, 2019 at the Michigan Trapshooting Association Grounds at 1534 Service Road in Mason. For general information about the tournament please visit <http://mi.traptournament.com/>. For more information about the GLSA visit www.lansingsports.org.
