A Rhode Island tradition returned to North Kingstown this weekend.

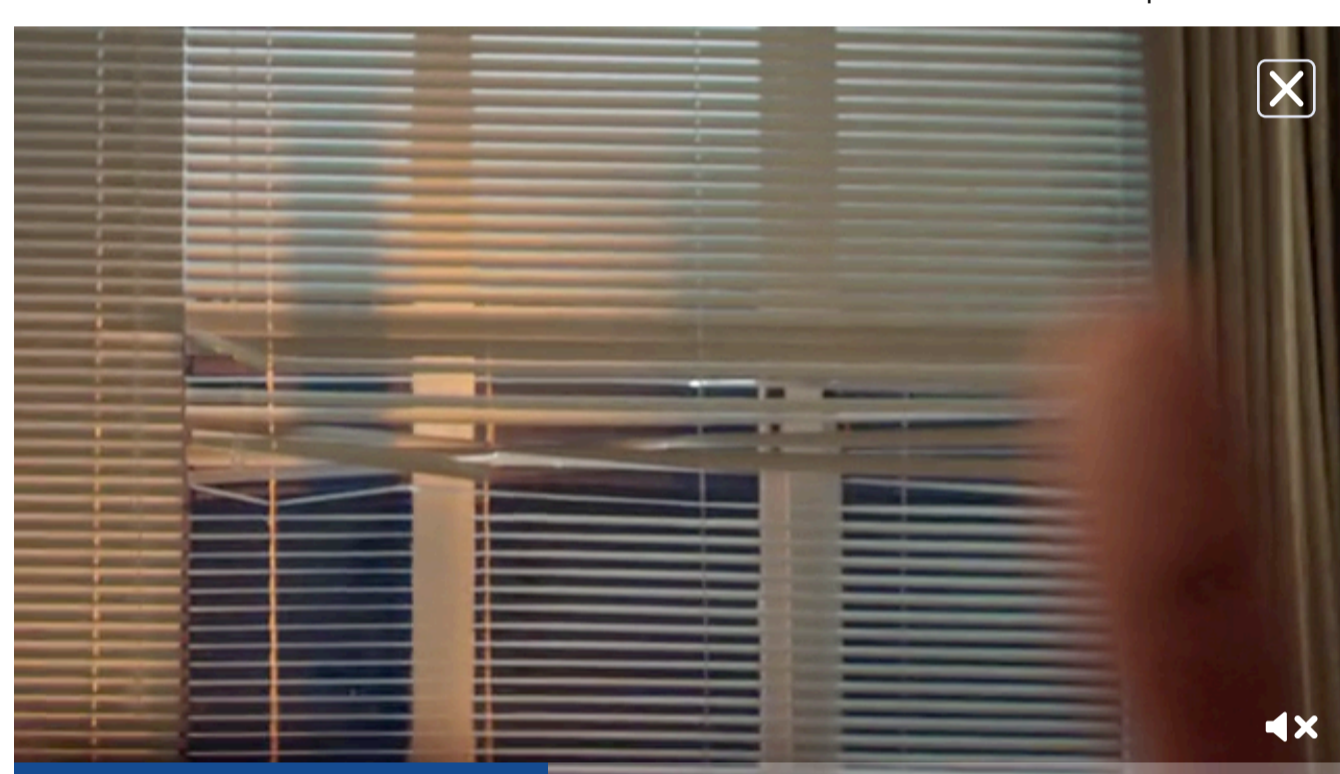

Thousands are expected to attend the annual Wickford Art Festival at Wilson Park. The festival features close to 200 artists from across the country showcasing their art in a variety of mediums, including ceramics, wood, wearable and decorative fiber, furniture, fine jewelry, drawing, etching, glass, mixed media, painting (watercolors, oil, gouache, acrylic), photography, printmaking, pyrography and sculptures.

Admission is free.

Parking is available at Wilson Park and the Wickford Middle School. There is a shuttle, free of charge, that will run from the middle school to the park and the village.
