Hawai'i Convention Center Earns Three National Meetings Awards

Honolulu, Oct. 7, 2022 – The Hawai'i Convention Center recently earned three prestigious national awards for its excellence as a meetings destination:

- EXHIBITOR Magazine has named the Center to its fourth-annual [Centers of Excellence](#) list, which honors North America's best convention centers for trade shows and corporate events. The magazine received nearly 100 applications throughout the competition, but only the 30 highest-scoring venues qualified based on their scores in five categories: Facility & Functionality, Location & Accommodations, Service & Execution, Upgrades & Expansions, and Awards & Industry Participation.
- Association Conventions & Facilities has honored the Center with a 2022 [Distinctive Achievement Award](#), which recognizes hotels, resorts, conference centers, convention centers and convention and visitors bureaus that have demonstrated their overall commitment to excellence. The more than 20,500 subscribers of Association Conventions & Facilities are offered the opportunity to vote. Eligible ballots are limited to those submitted by meeting planner subscribers. Criteria include: Superior service and support; top-notch assistance with promotion, accommodations and site inspections; a high level of assistance to identify and liaison with suppliers, vendors, facilities, venues and local government; outstanding communication; and a first-rate website.
- Facilities & Destinations has named the Center a [Safe Site Designee](#). Voted on by readers, these destinations and venues go the extra mile to ensure that visiting groups are as protected as possible from COVID-19. Criteria includes: GBAC STAR™ or related certifications; staff sanitation practices; disinfection technology; COVID-19 safety signage; COVID testing procedures; and accommodations for social distancing. The Center is among 30 convention centers to be honored with this new industry recognition.
