

Vision Statement: Eau Claire is a city that embraces winter, year-round activity and wellness by providing safe access to community resources.

Join us in becoming a winter advocate!

- Winter advocates are excited for the season!
- Don't complain about winter weather. Embrace it!
- Invite family and friends to winter events and activities to avoid social isolation.
- Participate in recreational activities such as snowshoeing, cross country skiing or sledding.
- Use #EauWinter when sharing fun winter moments!
