St. Patrick's Day Parades can be a fun way to celebrate this Irish holiday. While many fall on March 17th, some parades may happen earlier or even later than that official date; they can also include other types of events to go along with the festivities. Here are a variety of St. Patrick's Day Parades and happenings across the United States to say Erin Go Braugh!

Manchester's St. Patrick's Day Parade in New Hampshire has a 2.5-mile-long route.

Newport Saint Patrick's Day Parade

[Newport Saint Patrick's Day Parade](#) in Rhode Island has been happening since 1956 and falls this year on March 11. Taking place in downtown Newport, this two-hour long parade brings out a lineup of pipe and marching bands, fife and drum corps, reenactment units, and a host of local, state, and regional organizations.
