One of 14 perfect East Coast destinations for a road trip is the lovely Newport, Rhode Island. Situated between New York City and Boston, this town was once known as “America’s First Resort.” During the summer months, Newport’s harbors are filled with yachts and boats, while the winter is a great time to try the town’s delicious restaurants. Another draw is Newport’s Gilded Age mansions. The Breakers and Chateau-sur-Mer are must-visits.

Visitors rave about the Beech Tree Inn and Cottage, located in a historic neighborhood and walking distance from the town center.
