Everyone rejoices whenever spring arrives in New England, and the good weather and plenty of outdoor opportunities are a major draw. From hiking to fishing to boating to mountain biking on its incredibly stunning terrains, there are plenty of outdoor opportunities to explore on this side of the United States. Adorable plants such as crocuses, daffodils, and forsythia begin to bloom, creating more fun adventures and fantastic photo ops for a weekend or a day trip to one of the favorite spots. Because many visitors prefer this region in fall and summer, exploring in spring offers a chance to enjoy the outdoors without the crowds. Here are 10 of New England's best spring destinations.

While New Port is beautiful year-round, it gets more special in spring, thanks to the blooming daffodils and the perfect weather. The blooms are among the major draws to this gorgeous city-by-city, and vacationers can even join the locals in celebrating the Daffodil Days Festival. During this event, travelers will have an opportunity of seeing and admire more than one million beautiful flowers. Those seeking more adventures can head hiking and exploring the Norman Bird Sanctuary.
