

Simpleview 2023 Calendar

Below is the schedule for 2023. As has always been the case, the expectation is to work 80 hours over a two week period. With the built in holidays and Flex Fridays, we have provided a suggested work schedule for the remaining days. However, please work with your manager on flexibility of meeting your hours and shifts of a schedule based on support coverage needs.

Please follow the holiday schedule based on the country you reside. If you do not live in one of the outlined countries, please work with your manager to determine what schedule to follow.

If you have any questions, please email SVandYou@simpleviewinc.com
