READY TO ROCK (& BREWS) IN GRAPEVINE, TEXAS

GRAPEVINE, Texas (June 17, 2024) – KISS frontmen Paul Stanley and Gene Simmons are bringing their third Rock & Brews Restaurant to Texas – opening in Grapevine on July 2, 2024!

Rock & Brews will offer a 360-degree rock 'n' roll dining experience with iconic rock art (including the restaurant's signature Texas-sized Great Wall of Rock), colorful concert lighting, and music videos displayed on 75" TV screens throughout the restaurant. The restaurant will also feature live music on the weekends from some of DFW's best local musicians. With both indoor and outdoor seating, Rock & Brews will provide an energetic family-friendly experience, with plenty of space for groups of all sizes.

The menu boasts fresh, locally sourced ingredients with a unique spin on American food classics. The full bar features memorable and unique "Rocktails", one of the area's most extensive varieties of international and local craft beers, and an impressive selection of bourbons and other spirits.

The 9,000 square-foot Grapevine Rock & Brews (rockandbrews.com/grapevine), located at 520 W State Hwy 114 (at the intersection of Main Street and State Highway 114) has created approximately 130 jobs.

- The furnishings of this restaurant once made up the fabric of America:
 - The dining room bar top is crafted from the floor of the Chrysler Automotive Plant in Ohio, where WWII-era Jeeps were manufactured.
 - The beams of the front merchandise cabinet are from an Amish farm in Pennsylvania and the cladding from a Kentucky Thoroughbred Barn.
 - Most of the tables are reclaimed and stamped with their history from all over America.
- Rock & Brews held a "Guitar-Smashing" event on January 25th, attended by local business and service leaders, including "guitar-smasher" Grapevine Mayor William D. Tate, City Officials, and members of City Council, the Grapevine Chamber, and local nonprofit GRACE.
