ABOUT NEWPORT RESTAURANT WEEK

Newport Restaurant Week was established in 2006 as an annual event to encourage both residents and visitors to Newport and Bristol counties to experience the vast culinary talent in our destination. The event's mission is to stimulate local business not only at restaurants but at retail and lodging partners as well. Restaurateurs often create menus that showcase seasonal ingredients and promote local artisan food and wine purveyors. Many offer vegetarian and gluten-free alternatives to patrons with food allergies or special dietary requirements.
