### Ozarks Aglow Extended for Summer Fun at The Shepherd of the Hills

**BRANSON, Mo. (May 13, 2026)** — The Shepherd of the Hills is excited to announce that ***Ozarks Aglow Illuminated Night-Walk*** will officially be extended as part of ***Shepherd's Great American Summer***, giving guests even more opportunities to experience the immersive nighttime attraction throughout the summer season.

Originally launched as a Spring seasonal immersive experience, Ozarks Aglow quickly became a guest favorite thanks to its gigantic larger than life illuminated lanterns, glowing pathways, interactive displays and magical family-friendly atmosphere. As night falls, visitors can stroll through vibrant illuminated displays, capture share-worthy photo moments, and enjoy an evening experience unlike anything else in the Ozarks.

The extended schedule will continue to allow guests to enjoy the glowing attraction separately OR as a combo ticket aligned with a full day at Shepherd's Adventure Park, featuring over 30 activities for guests of all ages. The evening attraction pairs perfectly with any one of the three dinner shows at the Playhouse Theater.

Ozarks Aglow will operate on select evenings throughout the summer season now through July 31. Admission information, operating hours, and money saving combo ticket options are available online.
