

Once-a-year high ropes after dark are coming to Go Ape COVENTRY

Go Ape's highly anticipated Sundown Adventures are back

It's your time to shine. Go Ape's unmissable autumn adventure is back this October at Go Ape Coventry, and it'll be your highlight of the season. Take on tree-to-tree crossings illuminated by glowing lights. Feel the thrill of ziplines in the dark. It's Go Ape's signature tree top adventures taken up a level.

On for a limited time from 16th October, starting from sunset around 5pm. Minimum age 6 years old. Minimum height 1.2 metres. Sessions are ready to book now. Secure your spot on this once-a-year adventure at <https://goape.co.uk/locations/coventry/sundown-adventures/>

[For immediate release]

For the first time ever, experience adults-only Sundown Adventures. Friday 16th and Friday 23rd October at Go Ape Coventry sessions will be 18+. So you can swear up a storm all the way down the zipline guilt free (guessing that happens a lot).

[Press Release Ends]

About Go Ape

Go Ape was founded in 2002 by Rebecca and Tristram Mayhew. It has grown to have 36 locations across England, Scotland and Wales with thrilling high ropes and forest floor adventures. Their mission to 'Create adventures and encourage everyone to live life more adventurously' continues to this day. In 2021, Go Ape proudly became employee owned.

Ready for the challenge?

We can arrange press visits to review our activities, **get in touch** by emailing daniel.bell@goape.co.uk to start your adventure.
