What does it take to run a hotel? Here are just a few of the numbers

**300**

Shoe and laundry bags, made of colourful reprocessed fabrics, get "borrowed" each day from the rooms at the **Andaz Delhi** ([www.delhi.andaz.hyatt.com](http://www.delhi.andaz.hyatt.com)).

**400**

Kilolitres of water are recycled by **The Leela Goa** ([www.theleela.com](http://www.theleela.com)) every day (of a total of 550KL consumed), and used in its 75 acres of landscaped gardens.

**1,500**

Litres of fuel are used in a year to light the lanterns at the intimate 12-villa **Samode Safari Lodge, Bandhavgarh** ([www.samode.com](http://www.samode.com)).

**2,000**

Flowers (including 12 varieties of hibiscus alone) from the gardens of Kolkata's **Vedic Village Spa Resort** ([www.thevedicvillage.com](http://www.thevedicvillage.com)) are used to beautify the property every day.

**30,000**

Bottles of wine and Champagne are consumed at the **Hyatt Regency Delhi** ([www.delhi.regency.hyatt.com](http://www.delhi.regency.hyatt.com)) in a year. The hotel counts a range of vintage whiskeys among its bar jewels, including the Glenfiddich Vintage 1961, the Glenfarclas 1966 and the Remy Martin Louis XIII cognac.

**1,33,000**

Trees and plants dot the 22-acre grounds of the **The Oberoi Udaivilas, Udaipur** ([www.oberoihotels.com](http://www.oberoihotels.com)). At the on-site organic vegetable patch, lettuce, parsley, basil and cherry tomatoes are grown. Fun fact: a banyan tree on the property is believed to be over 300 years old.

**5,47,669**

Rupees are spent by the **Park Hyatt Goa Resort and Spa** ([www.goa.park.hyatt.com](http://www.goa.park.hyatt.com)) in a month on the mineral water bottles placed in a hotel room.

**30,000,000**

Units of electricity are consumed in a year at 202-key **Radisson Hyderabad Hitec City** ([www.radisson.com](http://www.radisson.com)), which is equivalent to lighting up 30,000 100-watt bulbs for one hour.
