GRAPEVINE'S 2026 CHRISTMAS ORNAMENT CELEBRATES MAYOR TATE'S GOLDEN JUBILEE

GRAPEVINE, TEXAS (November 15, 2026) – The 2026 Grapevine Christmas Ornament will commemorate Mayor William D. Tate's Golden Jubilee, which celebrates his 50 years of leadership to the community.

The limited-edition ornament in the official Christmas Capital of Texas® features the Golden Jubilee logo and a distinctive spinning golden medallion, creating a special keepsake that honors this milestone in Grapevine history.

Mayor Tate marked 50 years in office in May 2026, becoming the longest-serving mayor, for a city of 50,000, in Texas history and one of the longest-serving mayors in the United States. During five decades of steady leadership, Grapevine has grown from a small farming community into an internationally recognized destination while preserving the traditions, character and sense of community that make it unique.

The 2026 ornament joins a long-standing Grapevine tradition of creating an annual Christmas ornament that celebrates the destination's history, traditions and special moments. Previous ornaments have showcased Historic Nash Farm, the Bushong Log Cabin and Peace Plaza Ice Rink.

The limited-edition ornaments can be purchased for $20 each at the Grapevine Visitor Information Centers at the Grapevine Convention & Visitors Bureau World Headquarters
(636 S. Main Street) and at the Visitor Information Center inside Grapevine Main Station (815 S. Main Street).

The Golden Jubilee celebration began during the 42nd Annual Main Street Fest - A Timeless Texas Tradition presented by Bank of the West in May and will continue throughout the year, concluding in May 2027.

For more information about the Golden Jubilee and Grapevine's Christmas traditions, visit GrapevineTexasUSA.com/GoldenJubilee and ChristmasCapitalofTexas.com.
