Current Fire Danger Period Requirements

Barbecues and campfires for warmth or comfort are permitted as per CFA instructions only if:

- The wind is not more than 10kph
- The fire is lit in a properly constructed fireplace or trench at least 30cm deep
- The fire is not within 7.5 metres of a log or stump
- The ground and air space within 3 metres are clear of flammable material
- The fire and fuel used are the minimum necessary for the purpose and do not occupy an area of more than 1 square metre
- A person is in attendance at all times while the fire is alight.

Note that in accordance with the CFA Act, a “properly constructed fireplace” means a fireplace that is constructed of stone (rocks), metal, concrete or any other non-flammable material so as to contain the perimeter of the fire.

A commercially produced barbecue would be considered a properly constructed fireplace.

Use of a fire bucket is recommended and all fires must be totally extinguished before leaving.

STATEMENT OF RESPONSIBILITY

You have voluntarily entered a sanctioned designation of the AMA. A sanction designation indicates that this event is listed in the Association's official calendar and that AMA events guidelines, best practice, rules, standing and supplementary regulations may be used as a guide. It does not indicate that your safety has been warranted by the AMA, nor the promoter, organiser, landowner or agency. To some extent, the use of all motor vehicles/ vessels is inherently dangerous. You should take part in this event based on your own assessment of your abilities and suitability of your motor vehicle/ vessel. Today's course may traverse closed or open bodies of water, roads, formed or unformed areas or tracks and trails with minimal maintenance and the AMA nor the promoter, organiser, landowner or agency is responsible for their condition or the actions of other individuals using the event area, water bodies, roads, tracks and trails. The AMA urges you to wear appropriate personal protective equipment and to receive professional instruction before operating a motor vehicle/ vessel. We urge you not to operate a motor vehicle/ vessel without personal medical and ambulance coverage. If you have any doubts at this time about your personal ability to participate in this event, if you have not adequately prepared yourself and your equipment, if you question the condition and safety of your motor vehicle/ vessel, or the event areas, water bodies, roads, tracks or trails, or if you believe your insurance coverages are not adequate to compensate you for any loss that might occur, we urge you to notify the organiser, who may refund your entry fee depending on their terms and conditions.
