Brand Features

Leviton offers many products that will help lower electrical costs and add convenience to everyday living. By simply replacing standard switches with dimmers reduces energy consumption and extends bulb life. IllumaTech Preset Dimmers and Fan Speed Controls feature a low-profile fluid slide bar movement for fine adjustment of light levels or fan speeds that's accompanied by an easy-to-use ON/OFF preset switch. The switch provides quick ON/OFF control without disturbing your favorite pre-selected settings. Most feature a built-in LED locator light, as well. Models are available for incandescent, magnetic or electronic low-voltage, and Mark 10 Powerline dimming-ballast fluorescent lighting, and quiet and standard fan speed control.

Item Description

600W, 220 Volt AC 50Hz, Single-Pole, Trimatron Deluxe Non-Preset Electro-Mechanical Incandescent Rotary Dimmer, - White

Technical Information

Product Features

Action: Rotary ON/OFF

Color: Ivory

Feature: Deluxe

Load Rating: 600W

Load Type: Incandescent

Preset: Non-Preset

Protection: Radio/TV Filter

Standards and Certifications: Non-UL

Style Name: Trimatron

Switch Type: Single-Pole

Type: Rotary Dimmer

Voltage: 220 VAC

Wallplate: Order Separately

Warranty: 2-Year Limited
