

RE153-CA

Color:  Café Latte

UPC Code: 07847753443

Country Of Origin: China

Brand Features

Renu in a Snap! Renu is the smart new line of decorative electrical products from Leviton. Install Renu and get a fresh stylish look, plus the ability to change the color of any Renu device when you update a room. Designed for do-it-yourselfers, the line includes switches, outlets, GFCI outlets, dimmers, and sleek, screwless wallplates available in 20 designer colors to blend in or contrast with your décor. Refresh the color of any Renu device in a snap, without any rewiring or the need for an electrician. Just order a color change kit in the color you want, snap off the faceplate on the device and snap on the new face. Renu fits your lifestyle and adapts to your changing taste. Renu is more than a collection of stylish electrical devices. It's a line you can install once, and update to a new color without any rewiring or the need for an electrician.

Features and Benefits

- 15A-120/277VAC switch for 3-way applications, available in 20 popular colors to match any décor
- Use two 3-way switches to control light(s) from two locations, ideal in hallways and stairways
- Once installed, Renu 3-way switches can be updated to a new color by ordering an RK15X color change kit
- Switch face easily snaps OFF and ON to change color
- To complete the look, snap on a matching or contrasting Renu screwless wallplate (sold separately)
- Turns the electrical device into a decorative, easily updated accessory
- Shallow size is easy to install in any wallbox
- Self-grounded when installed in a properly grounded metal wallbox
- Back, side and quick wired for fast, easy installation
- Terminals designed to withstand high torque and resist wire pullout
- The selection also includes single-pole and 4-way switches
- Use only with Renu wallplates
