

Epson C3500 Color Ink Jet Printer

Panduit offers fast, easy, and tough, full color printing with the EPSON C3500 ink jet printer. Paired with Panduit industrial ink jet label materials and software, we are able to provide the best solution for electrical and safety users for industrial labeling applications.

Key Features	Benefits
Full Color Printing	Quickly and easily print signs and labels in full color, high resolution print, for safety marking, pipe marking, facility identification and more.
Tough Industrial Label Materials	Made of polyester and vinyl materials designed for high durability. Super-Tack adhesive provides extra strong holding power for rough or textured surfaces.
Fast Print Speed	With a print speed of up to 4 inches per second, you are able to maximize your productivity.
Durable Design	With dust and water resistance, the C3500 was designed for a variety of tough environments.
