

BENDER'S FRIEND

An easy to use template for bending perfect 90 degree angles on PVC Pipe

- ✔ Pair the Bender's Friend with a heat source for kink-free bends!
- ✔ Works with 1/2", 3/4" and 1" PVC Pipe

PART #59130

Bend Your PERFECT 90 in 3 Easy Steps

HEAT GUN NOT INCLUDED

STEP 1

Prep your pipe with a heat source such as heat gun or blanket to make it soft and bendable.

STEP 2

Bend your soft pipe to the desired shape and place it in the correct size channel of the Bender's Friend.

STEP 3

Let your pipe rest in the Bender's Friend until it cools and becomes solid again.
