Product Features

Save your knuckles by using our Bend All cable bender! Made with machined aircraft aluminum, this cable bender is extremely strong and durable. It connects to your standard 1/2 ratchet, making cable bending a breeze for you. The Bend All can bend cable in a tight meter base where your hands barely fit. The specifically designed dowels will not damage the cable as you bend.

- Bend up to 500MCM.
- Connects to your standard 1/2 ratchet
- Bend inside enclosures to the right, left, front or back.
- Bend in tight spaces where your hands wouldn't fit.
- Made with machined aircraft aluminum
- Made in Canada
