

Trainee Country Management Netherlands (m/f)

Our Offer

- Exciting 12-month traineeship in a high-growth company to gather valuable professional experience
- Pushing your own ideas to develop and grow our company
- Working with a wonderful team in an international environment – our company language is English
- Office right in the center of Berlin, the Silicon Valley of Europe
- Support in case of VISA process or moving to Berlin
- Free beverages, snacks and fruits
- Wine tastings, team events... and of course plenty of premium wine and employee discounts

Your tasks

- Support the Country Manager in the daily business of coordinating the Dutch online shop
- Drive optimization and projects on your own and prepare their implementation
- Identify, contact and support of potential Dutch customers and marketing partners
- Take on tasks in online marketing to improve our online presence on the Dutch market
- Support our customer care team and optimize related processes

Your profile

- You speak Dutch at a native-speaker level and possess very good English skills, German is a plus
- Bachelor's degree, preferably in Economics or similar background
- Ideally first working experience in a start-up or eCommerce environment
- You are feeling comfortable in using Excel on a daily basis
- You like to take initiative and work in a structured and result-driven way

Want to become part of our team?
