| Depth  | 54 mm |
| Height | 85 mm |
| Length | 85 mm |
| Width  | 85 mm |

**Environmental conditions**

|                               |        |
|-------------------------------|--------|
| Ambient temperature (maximum) | 60 °C  |
| Ambient temperature (minimum) | -25 °C |

**Material**

|              |    |
|--------------|----|
| Box material | PS |
| Lid material | PS |

Properties

|                           |                     |
|---------------------------|---------------------|
| Can be lead sealed        | true                |
| Colour                    | Grey                |
| Degree of protection (IP) | IP66                |
| Free of heavy metals      | true                |
| Halogen-free              | true                |
| Installation type         | SM                  |
| Insulation                | Protection class II |
| PVC-free                  | true                |
| Silicone-free             | true                |

Technical features

|                    |       |
|--------------------|-------|
| Design voltage     | 690 V |
| max. cross section | 4 mm² |

Certificates & standards

|                |        |
|----------------|--------|
| CE             | true   |
| Glow wire test | 650 °C |
| REACH          | true   |
| RoHS           | true   |
| VDE            | true   |

Accessories

|               |      |
|---------------|------|
| Equipped with | None |
