A NOTE ABOUT THIS SHOWCASE

The traditional rehearsal process for this MFA Showcase was redeveloped after March 11, 2020, to accommodate government-mandated "shelter in place" policies due to COVID-19. Thanks to the determination, imagination, and resilience of MFA Program actors, artists, faculty, and staff, this Showcase was produced as a recorded video presentation. We hope you enjoy the talents of A.C.T.'s MFA class of 2020.
