

OCCUPY THE MOMENT | FABRIC OF CHANGE

In celebration of the 50th Anniversary of WCA, we invite each WCA member to occupy this moment fiercely, to notice the thread(s) of change we each wish to hold, to locate our leadership, and to carry it into sustained action—in community, not isolation.

- 1) **Collect:** In the space below, collect thoughts, quotes, and visions.
- 2) **Create:** Choose a thread to create on fabric, ribbon, etc, and carry forward.
- 3) **Connect:** Take a photo to add your thread to WCA's Fabric of Change mosaic.

We are all threads in this fabric of change. The art is the journey we build.

What does it mean today, to occupy this moment fiercely?

What moves me deeply right now?

Tell me more...

What thread do I most wish to carry today?

We invite you to use this art action at any WCA events as a resource to anchor sustained action & change.

Upload to bit.ly/FabricOfChangeWCA to record your thread in the Fabric of Change Mosaic
