Tradition Three

(Short form)
The only requirement for A.A. membership is a desire to stop drinking.

(Long form)
Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation.

The group forms itself. There is no requirement to 'register' with an office or ask permission to start an A.A. group.
