

Sunday Steps Studio

Step Four Inventory

A visual workshop presented live online by experienced Melbourne AA members Chris and David.

This workshop carefully follows the detailed instructions for taking inventory in the Big Book of Alcoholics Anonymous.

For newcomers the workshop provides a clear example before they launch into the step themselves. And for older members, it's a refresher on how to keep the inventory process simple when carrying the message on to others.

2:00pm Sunday 20th September 2020
