Our Primary Purpose

Each group is a spiritual entity. It is connected to its higher power through the group conscience.

It's purpose is to carry it's message to alcoholics.

Tradition Five

(Short form)

Each group has but one primary purpose – to carry its message to the alcoholic who still suffers.

(Long form)

Each Alcoholics Anonymous group ought to be a spiritual entity having but one primary purpose – that of carrying its message to the alcoholic who still suffers.

Recovery is vital. Without recovery, there is no message to carry.
