### Step Twelve

Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.

Ask Him to your counting, meditation what you can do each day for the man who is still sick. The answer will come if your own heart is in order.

## Sunday Steps Studio Step Twelve

A visual workshop presented live online by experienced Melbourne AA members Chris and David. This workshop is a detailed guide to step twelve using reading from the Working With Others chapter in the Big Book of Alcoholics Anonymous. For newcomers the workshop provides a vision of AA's spiritual program before they launch into the steps themselves. And for older members, it's a refresher on how to keep the program simple when carrying the message on to others.
