Sunday Steps Studio

Step One

The Sunday Steps Studios are series of visual workshop presented live online by experienced Melbourne AA members Chris and David. Each workshop goes for around 75 minutes.

This workshop is a simple overview of the first step using readings from the Big Book of Alcoholics Anonymous.

For newcomers it's an introduction to AA's twelve step program. And for older members, it's a refresher on how to keep the program simple when carrying the message on to others.
