“TULIP™” ROD HOLDERS, 8” LG

Color	Finish	P/N
Clear	Polished	RHTP165C
Gold	Polished	RHTP165G
Clear	Brushed	RHTB165C

- A must on all Flats, Bay boats & T-Tops.
- Available Mill Finish Ready to be Powder Coated (see Section C).
- Designed for T-Top & poling platforms.
- Rod holder measures 8” long OAL and has a 1-3/4” inside diameter.
- Suggested tackle usage up to 50 lbs.
- Locking Pin fits perfectly for all fishing rods; no sharp edges or corners that could cause damage.
- T&C’s heavy duty welded-in pin will not damage the end of your customer’s fishing rod

See Section C for Non-Anodized Rod Holders.
