## SLEEVE: LEANING POST BACK REST PIPE

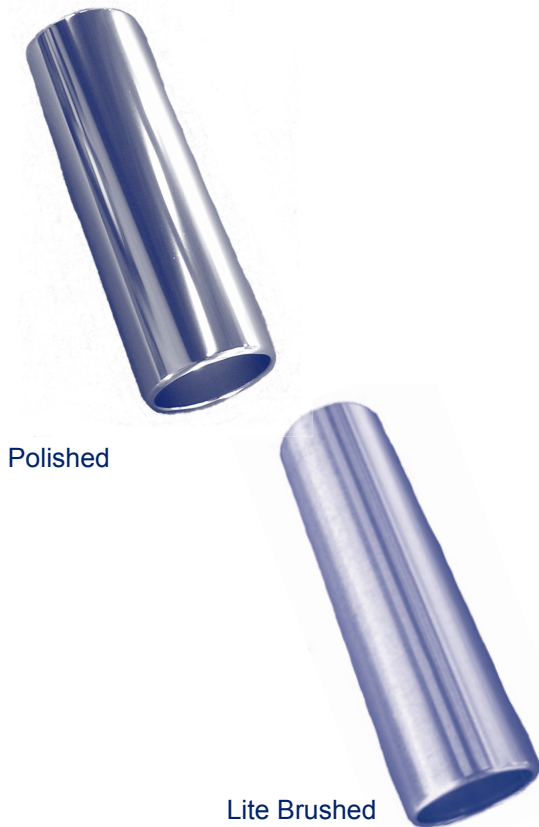

Size	P/N
1-5/16" I.D. x 8" Long	SLEV101

- This sleeve fits over 1" NOM pipe & 1-1/2" oval tubing snugly and fits into the inside of a standard 1-1/2" I.D. opening flus mount rod holder.
- Eliminates the gap between the backrest pipe, tubing and the opening of a rod holder.

2"	10"	SLB200X10
2"	12"	SLB200X12

- All sleeves will fit over entire outside of dimensionally correct nominal pipe.
- Suggest always using **E-Tec Marine™** brand pipe to insure proper fit.
- All sleeves are in stock with a polish or lite brushed finish to match **E-Tec Marine™** brand pipe and bright dipped clear anodized pipe.
- Other sizes and lengths available.
