

The ADA Standard 404.2.3 is from the Dept. of Justice ADA Publication of Sept. 15, 2010. Accurate Lock and Hardware Co. LLC encourages the end user to double check all state and federal standards for your particular project.

**The total opening has to be 4" greater than the Federal "Clear Width" dimension to work properly.

***The bottom of the 7200P pull handle must be installed from the finished floor. This will give 48" (the maximum) from the finished floor top of 7200ADA handle, thus meeting Code 404.2.7.
