

ARRA Statement

Accurate Lock & Hardware Co., LLC proudly manufactures locks and architectural hardware in the USA.

Accurate Lock & Hardware Co., LLC was founded as an independent manufacturer in 1972 and since then has been manufacturing and assembling all of its products in Stamford, Connecticut. As such, all Accurate Lock & Hardware products are considered **“Manufactured goods”**, **“Produced in the United States”**, meeting the requirements of the “Buy American” provisions included in the “American Recovery and Reinvestment Act” (ARRA Title XVI, Section 1605).

A handwritten signature in black ink, appearing to read 'Ronald M. Salvatore', is written over a horizontal line.
